ABSTRACT

This collection of essays makes the case for a liberal education while providing a guide to higher education administrators facing contemporary challenges such as the threat to affirmative action or debates over tenure. The chapters are: (1) "Mounting the Public Stage"; (2) "Defending Higher Education"; (3) "Preserving Liberal Education"; (4) "Celebrating Intellectuals"; (5) "Appraising Significant Lives"; (6) "Addressing Moral Questions"; and (7) "Conferring Honorary Degrees." (SLD)
